

## WA Campaign2

The WA Campaign took advantage during May of the visit to WA of V8 Ute racing driver, Andrew Fisher who races in the National Yokohama V8 Ute series under the banner of Jesus All About Life. The distinctive livery on his vehicle attracts a lot of attention and gives him an opportunity to share his faith. Andrew was invited to speak at a number of functions in Perth and Bunbury during his stay in WA.

On Tuesday, May 6 an official launch was held in the city with the Heads of Churches. Andrew Fisher addressed the group and Archbishop Roger Herft expressed his support for the campaign and led the group in prayer.

More than 100 people gathered in Big Swamp Park Bunbury on Sunday May 4 for the regional launch of Jesus All About Life. Most of the churches in the Bunbury region were represented at the launch and Andrew Fisher and Rob Douglas, Chair of the WA Campaign Committee addressed the group. Dick Scallan, Chairman of the Bunbury City Christian Ministers' Fellowship called on Christians in Bunbury to get behind the campaign and to acknowledge their faith in Jesus.
