***Re: Jesus. All About Life***

I am delighted on behalf of Wesley Mission, Sydney to offer our support for the proposed campaign being planned for Sydney in 2009. I hope that we shall be able to give this project more than just our tacit support but actually use the opportunity to share in a united way with other Christians in offering the Good News of the Gospel.

Please treat this letter as a firm indication in principle to support *Jesus. All About Life*. I shall be sharing it with our Mission Council in November and my Wesley Mission Board later this month.

I hope we can work together on this important venture.

Warmly yours,

Dear Daniel

As you know, our Mission Board has been considering the Jesus All About Life Campaign. At the last meeting of the Mission Board, it was agreed that we would take part in it. We are supportive of the campaign being run by the Bible Society in 2009, and would be happy to recommend to our churches that they be involved as they see fit.

You are probably aware of our plans for a major evangelistic initiative in 2009. Therefore, if we are to lend support to the Jesus All About Life Campaign, it would be most suitable from our point of view for that to take place in spring 2009.

With best wishes.

Yours sincerely,

Dear Martin

Re: *Jesus. All About Life* proposed campaign 2009

Thank you for the information you have provided in relation to the *Jesus. All About Life* campaign and the proposal that it be run in Sydney in 2009. My colleagues and I who form the Baptist Union of NSW leadership team were delighted to hear about the success of the campaign in other places and about your vision to see it brought to Sydney.

Please consider this letter to be a firm indication of in principle support from NSW Baptists for the running of the *Jesus. All About Life* campaign in Sydney. Our leadership team is excited about the Kingdom possibilities of the evangelical denominations coming together with the common goal of making the campaign a success.

Yours sincerely
