(*Insert details of event – who, what, when, where, why*)

Jesus. All about life is a massive internet, TV, radio and print media campaign which aims to reach 90 percent of the people in NSW throughout September and October.

Already, almost 1500 churches have signed up to be a part of this groundbreaking, non-denominational campaign.

(*Insert quote from minister/church leader saying why it's important to support JAAL in your community*)

'Jesus. All about life' aims to increase the overall awareness of Jesus in the community at large, and encourage serious thought about personal faith.

The campaign is supported by local churches right across the state, which will run community, cultural and arts events that encourage people to find out what Jesus had to say 'about life'.
